Interview Summary

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Examiner Huyen D. Le and Rose Hickman, attorney for the Applicant, participated in an examiner interview on February 12, 2007. The definition of "integral" was discussed in the context of Applicant's claims and the cited reference, Ryan et. al. The Examiner contends that two separate elements connected together are necessarily "integral." Applicant's attorney disagrees. No agreement as to the allowability of the claims was reached.

Respectfully submitted,

HOGAN & HARTSON L.L.P.
